 Phone: (360) 342-5047 | Fax: (360) 342-5049  
[www.cityofbg.org](http://www.cityofbg.org)

SUBMITTAL REQUIREMENTS:
ENGINEERING REVIEW
Appropriate signature blocks (engineering and final site plan).
Stamped by registered engineer in the state of Washington.
Final hydrology reports, if applicable.
An acceptable performance surety, if applicable.
Other supporting documentations, if applicable. For example, sewer line analysis, pump station analysis, water line analysis, etc.
Estimated public improvement costs (if applicable). Cost must be laid out to include item name, quantity, unit of measurement, unit cost, extended cost, section totals, grand total, and include any applicable sales tax.
<b><i>Applicable Engineering Fee:</i></b> <i>The engineering plan review and construction inspection fee is 2% of estimated construction costs of improvements. A base fee is due at submittal and the remaining fees will be due prior to release of approved engineering plans.</i>
FINAL SITE PLAN REVIEW
Fee associated with this application
Site Plan
Landscape Plan
Lighting Plan
Other supporting documentations, if applicable. For example, photometric plan, environmental analysis, etc.
